

CURRO AURORA MATRIC RESULTS 2014

Curro Aurora
Class of 2014
Celebrates!

The school's Commerce Department performed particularly well in achieving a 67% average for both Accounting and Business Studies, and a staggering 72% for Economics (**all 3 were significantly higher than the national averages**). Dramatic Arts achieved an excellent average of 73%, and Geography, Mathematical Literacy, Life Orientation, Consumer Studies, French, German and English all achieved averages above 65%.

The grade average of 64% evidenced an overall improvement of 5% from the preliminary examinations. The school is particularly proud because every Grade 12 learner improved their personal performance.

The school prides itself on meeting every learner where *they* are and maximising their individual potential, and the class of 2014 did exactly that.

The 2014 Grade 12 class from Curro Aurora produced pleasing results as a grade in the 2014 final examinations. 49 of the 53 learners achieved Bachelor Degree passes, while the remaining 4 all achieved Diploma passes, thereby affording all of our learners access to tertiary education.

Achieving 4 distinctions each were:

Amber Dry, Karan Pema, Shania Dharampal, Heather Adamson, Michaela Easton and Kyle Pienaar.

"How lucky I am to have something that makes saying goodbye so hard!"
