CURRO Academy Mahikeng

Foundation phase: Grade RR to Grade 3

In the foundation phase, we focus on teaching the foundational skills, concepts and knowledge which are required for further learning. We offer a vibrant, invitational atmosphere where the learners enjoy coming to school and where they acquire a love for learning that will sustain them throughout their school years. We acknowledge the potential in each learner to reach optimum ability; therefore, there is less emphasis on competitiveness and more emphasis on individual achievement. We create opportunities for personal growth in independence and responsibility so that learners can take up the challenge of being personally responsible and accountable for their actions in the intermediate phase.

Subjects

The three main learning areas are:

Language – English home language and Afrikaans first additional language.

Mathematics – Mathematical concepts, number concepts and practical application.

Life Skills – Developing skills which focus on personal, social and physical development and the promotion of good health.

Also:

A reading programme is followed intensively, and continuous assessment in all subjects is conducted. We encourage participation in cultural and sports activities.

We embrace 21st century learning and incorporate technology with computer literacy.

Cultural activities:

Foundation phase
Debating

Sports activities

Foundation phase

Athletics, netball, soccer, cricket, hockey and chess

Curriculum:

- English home language
- Afrikaans or Setswana first additional language
- Mathematics
- Life Skills
- Computer Literacy
- Natural Sciences and Technology
- Social Sciences

Intermediate phase: Grades 4 to 6

In the intermediate phase, the emphasis is still on establishing basic foundations, but learners are led into more abstract thought and independent work. Application of skills and concepts is also a focus area in this phase. This phase aims to prepare learners for the senior phase in the high school.

We aim to embrace 21st century learning by incorporating the use of tablets into our classrooms from Grade 4. By embracing this innovative technology into our schools, we are speaking the language our learners understand.

How to enrol:

STEP 1:

All relevant forms are available on: **www.curro.co.za**

STEP 2:

Complete the following:

- Application for admission
- Application for aftercare (if applicable)
- Debit-order form

It is important to complete the application-for-admission form thoroughly and to attach ALL the relevant supporting documents.

WHAT HAPPENS NEXT?

STEP 3:

Application forms will be assessed.

STEP 4:

Once the learner has been accepted, relevant details will be captured, at which time parents receive an email confirming the learner's status of acceptance and a family code, and the account holder receives an invoice for the once-off, non-refundable enrolment fee and the banking details.

STEP 5:

Payment of the enrolment fee must be made to secure the learner's place for the next academic year. (Please retain the proof of payment for record purposes.)

STEP 6:

Please refer to **www.curro.co.za** regularly to stay up to date with all the relevant news and arrangements.

PLEASE NOTE:

A learner must benefit from Curro Academy's mainstream curriculum and it is therefore necessary to assess each application for admission. Applicants are assessed according to the normal entry requirements and, if necessary, extra assessments may be requested.

We look forward to welcoming you to the Curro Academy family.
