

PRESCHOOL

Home away from home

At Curro nursery schools/preschools we believe in the magic of CHILDHOOD, the JOY of being young and the unbridled INNOCENCE of youth.

We focus on:

- 1. The unique child:** Woodhill College recognises that every child is a competent learner from birth who can be resilient, capable, confident and self-assured.
- 2. Positive relationships:** Woodhill College children learn to be strong and independent from a base of loving and secure relationships with parents and or a key person (teacher).
- 3. Learning and development:** Our children develop and learn in different ways and at different rates and all areas of learning and development are equally important and are inter-connected.
- 4. Enabling environments:** Our environment plays a key role in supporting and extending a child's development and learning.

QUICK FACTS

Language: English

Ages: 2 years (turning 3) to 6 years (Grade R)

The daily programme

Our daily programme includes:

- Morning ring
- Theme exploration
- Creative activities
- Performing arts
- Free play
- Movement development
- Perceptual and sensory play
- Story and language time

GENERAL INFORMATION

- We have created a centre of learning where children can realise their full potential by providing a comprehensive, individually orientated education of the highest standard. Woodhill College preschool provides a sound foundation for meeting the tasks and challenges of future learning.
- We create an environment of opportunity where the child learns general knowledge, the right attitudes, ethical and moral principles.
- We encourage and teach each child social and life skills in a warm and loving environment.
- We acknowledge that each child is an individual and we allow them to work at their own pace. We create a sound and safe environment where each child is extended and growth is encouraged academically, socially, emotionally and spiritually.
- The curriculum includes LEGO Education learning concepts and the activities built around Lego Soft Bricks form the important early foundations for later Robotics studies.
- Gross motor activities, water safety and music are included in our weekly programme.
- Parent consultations take place in the 1st and 3rd terms, whilst written reports are provided at the end of the 2nd and 4th terms. This ensures that parents are kept up to date with their child's progress.
- With the emphasis on 'learning by doing' our preschool learners are encouraged to experiment and investigate as a way of learning.
- Our dedicated teachers provide a safe and loving environment in which each child can grow and flourish.
- We encourage the development of self-esteem, self-confidence, social and emotional skills.
- We have a learner support department consisting of our remedial coordinator, educational psychologist, occupational therapists and speech therapist. All teachers are resident on the campus to assist your child with any problems he/ she may experience.

HOW TO ENROL

STEP 1:

Apply to enrol with one of the following options:

1. Enrol online at www.curro.co.za.
2. Download and complete the application-for-admission form available on the website or from the school.
3. If necessary, contact the school for the required documents.

STEP 2:

Submit your completed application form along with all supporting documents (indicated on the application form) to the school.

Note: Supporting documents for online enrolments are to be uploaded.

STEP 3:

Application forms will be assessed.

STEP 4:

If successful, parents will receive via email, a welcome letter and invoice for a once-off non-refundable enrolment fee.

STEP 5:

Once the enrolment fee is paid, the child's place is confirmed (please retain proof of payment for record purposes).

STEP 6:

Please refer to www.curro.co.za regularly to stay up to date with all the relevant news and arrangements.

We aim to inspire young minds to become extraordinary through the unique Woodhill preschool curriculum.
