In evaluating the learner's progress, the executive head and general manager will have regard for the expected decline in academic averages as the learner progresses to higher grades. If a learner fails to meet minimum standards, the learner may be obliged to attend corrective interventions, designed by the school, to support the learner. 7. Learners and parents will still be required to complete all the necessary documentation required for admission to the school, including the learner admission contract.
8. Scholarships are not payable in cash and will be set-off/deducted from the monthly school fees if awarded.
9. Scholarships may not be substituted or passed onto another learner as a gift.
10. If a learner decides to leave the school prior to the completion of the academic year in which the scholarship is awarded, he/she will forfeit the remainder of the scholarship not yet utilised and shall have no further claim thereon.
11. The scholarship may be terminated at any point should the learner:

 - fail to maintain satisfactory progress in his/her studies as set out above, and
 - fail to observe the terms and conditions contained herein.
