Curro Assisted Learning Schools provide high-quality academic intervention for learners from Grade 1 to Grade 12, at the end of which the NSC examination is written.

The CAPS-aligned curriculum follows the same syllabus as that used in mainstream schools. Teaching styles and classes are structured and adapted to suit the individual needs of learners, assisting them to develop and grow holistically. The schools focus on the specialised education of each learner and strive to prepare them for a successful academic outcome, while encouraging each individual to attain their personal goals.
