

**FROM MR MAREE'S DESK...**

With only three weeks left till the end of Term 1, Curro Aurora learners continue to perform well on the track, in the pool, on stage and academically. On Monday, 24 February, four of our athletes participated at the District Athletics' Championship at Ruimsig Stadium. All the athletes returned home with medals around their necks as follow; Bonang Motsamai, Khotso Motsamai, Tshiamo Motsamai and Connor Mitchell. We are very proud of this amazing achievement!

**PRIMARY SCHOOL DISCO**

Our Hawaii themed Disco was a huge success! A high number of learners attended, dancing the night away and enjoying being with their friends. A huge thank you and well done to our 2020 prefect body and their parents who organized the event.

**GRADE 4 TO 7 PROJECT BASED LEARNING**

It has come to our attention that learners need time to complete and hand in Project Based Learning Tasks. In order to accommodate our learners, we have decided that Friday, 6 March 2020, will be our PBL day. Learners will remain in tutor classes for the day after the Afrikaans/isiZulu test is written. Teachers will go into classes to assess and assist learners. Please ensure that learners bring to school the necessary resources and materials needed for tasks to be completed.

## THE TRAVELLING BOOKSHOP

The “Travelling Book Shop” will be visiting the school, on Monday, 9 and Tuesday, 10 March. This is a wonderful initiative which allows the children the opportunity to browse through and purchase books at reasonable prices. Children will be taken during the school day on Monday, to browse through and put aside the books that they are interested in. On Tuesday, 10 March, the children will have the opportunity to purchase the books put aside at breaks, before and after school, until approximately 15:00. Parents are also welcomed to come and browse through and purchase books, however, we ask that parents only come and browse before school or once the school day is complete and not during school hours. Please ensure that all money is clearly labelled in an envelope with your child’s name, grade and class.

**Please note, the purchasing of books is not compulsory, however, the children do get very excited about new books and are therefore positively encouraged to read - an essential element of language development.**
