

NURSERY SCHOOL

Home away from home

At The King's School we believe in the magic of CHILDHOOD, the JOY of being young and the unbri- dled INNOCENCE of youth.

We focus on:

- 1. The unique child:** The King's School recognises that every child is a competent learner from birth who can be resilient, capable, confident and self-as- sured.
- 2. Positive relationships:** The King's School children learn to be strong and independent from a base of loving and secure relationships with parents and or a key person (teacher).
- 3. Learning and development:** Our children de- velop and learn in different ways and at different rates and all areas of learning and development are equally important and are inter-connected.
- 4. Enabling environments:** Our environment plays a key role in supporting and extending a child's devel- opment and learning.
