

School uniform

The school uniform at all Curro schools is governed by a basic dress code, with each school making slight adjustments. Learners from Grade 1 to Grade 12 wear a formal school uniform.

Depending on your circumstances, it is recommended that you purchase at least two sets of uniform per learner.

Sports clothes

It is recommended that you purchase only one pair of blue shorts and a sports shirt until the learner decides what sport to play. For sports specific uniform requirements visit MyHub.
