

FROM MR MAREE'S DESK...

We are excited welcoming back our Grade R, 1, 2, 5, 6 and 11 learners on Monday, 8 June 2020. This week with the Grade 7 learners back at school, there was a wonderful sense of **happiness and belonging**. The hybrid approach of teaching, having half a class I front of you and the other half at home, watching and engaging online, is certainly going to be the new normal for learners, their parents and certainly for us as teachers. Grade 7 learners confirmed that they were pleased to be back at school, especially seeing their friends!

As we are expecting an increased number of learners on campus as of this coming Monday, we kindly ask you to drop you child at the following times, supporting us to apply and manage social distancing;
