

HIGH SCHOOL

CURRO Delft

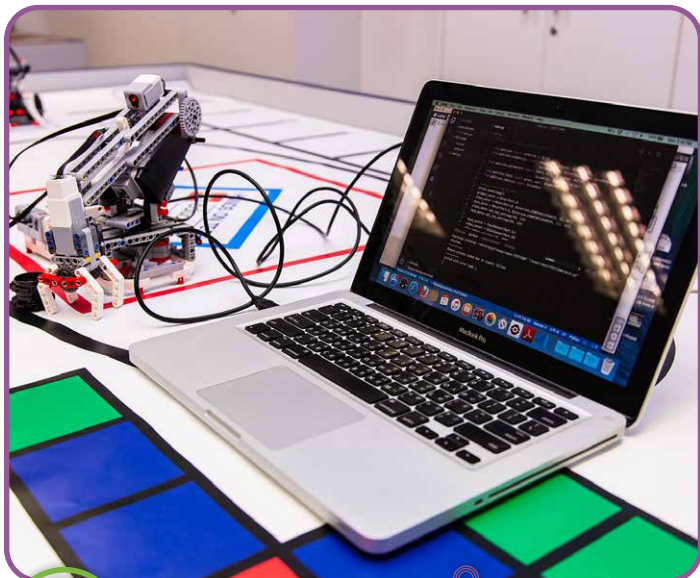

At Curro Delft, our goal is to develop responsible, independent and proud individuals who will make a positive contribution to society.

Our schools follow an enriched CAPS curriculum, thereby creating a dynamic curriculum that covers problem-solving, critical thinking and the development of skills and values. Both individual and group work are evaluated.

Our ethos is governed by Christian values (ethics and morals) where learners are encouraged to explore and express their individuality within acceptable boundaries, and ultimately take responsibility for their actions.

We guide them to follow their hearts and minds to develop into the best people they can be.

Curro Delft's approach produces a community of teenagers who know how to think innovatively, express their ideas and take charge of their own lives.

QUICK FACTS

Language: English

Grades: Grade 8 to 9 (higher grades phasing in annually)

School times: 07:45 – 17:00

Drop off/Pick up: 07:15 – 17:15

Saturday school: 09:00 – 12:00

NSC examinations (Grade 12)

Curro Delft's unique DigiEd approach incorporates a deep-integrated project-based learning approach focusing on Mathematics, Science, and Technology.

Teaching takes place through digital learning tools and videos, while teachers and tutors provide one-on-one assistance in the classroom as needed. Learners set their own pace within a framework, which prevents any learner from falling behind or having to wait for others.

Learners are prepared for the National Senior Certificate (NSC) examination at the end of Grade 12.

How is our DigiEd approach different?

- Hands-on teaching in an open space classroom
- Learning content is connected across subjects
- Use of e-learning tools in the classroom
- Focus placed on 21st-century skills
- Technology-rich learning space
- Longer school hours (to help working parents)
- No homework

Learners have access to:

- a coding and Robotics programme;
- tutoring in small groups;
- a longer school day, but no homework;
- a Saturday programme, and
- an opportunity to learn advanced computer skills.

Subjects offered:

- English Home Language
- Afrikaans or isiXhosa First Additional Language
- Mathematics
- Natural Sciences
- Technology
- Social Sciences
- Economic and Management Sciences
- Creative Arts
- Life Orientation
- Computer Studies and Robotics

Curro Delft is perfect for the learner who enjoys a technology-rich environment and excels in Mathematics and Science. Our technologically-advanced approach provides learners with 21st-century skills that prepare them for the workplace of the future.

HOW TO ENROL

STEP 1:

Enrol online at www.curro.co.za or email us for information and an application form at info.delft@curro.co.za.

STEP 2:

Submit your completed application form along with all supporting documents (indicated on the application form) via email: info.delft@curro.co.za

Note: Supporting documents for online enrolments are to be uploaded.

STEP 3:

Application forms will be assessed.

STEP 4:

If successful, parents will receive via email, a welcome letter and invoice for a once-off non-refundable enrolment fee.

STEP 5:

Once the enrolment fee is paid, the child's place is confirmed (please retain proof of payment for record purposes).

STEP 6:

Please refer to www.curro.co.za regularly to stay up to date with all the relevant news and arrangements.

PLEASE NOTE:

A learner must be able to benefit from Curro Delft's DigiEd approach. Therefore, it is necessary assess each application for admission according to the normal entry requirements. If necessary, extra assessments may be requested.

We look forward to welcoming you to Curro Delft's family.
