- Adapted classrooms and teaching

# ASSISTED LEARNING SCHOOLS

**Curro's Assisted Learning Schools** provide **high-quality academic intervention** for learners from 3 years to Grade 12 (depending on the school), at the end of which the NSC examination is written. They follow the same CAPS curriculum offered in mainstream schools, but teaching styles and classrooms are adapted to suit the individual needs of learners, thereby assisting them to develop and grow holistically. Auditory, visual and kinaesthetic stimuli form an integral part of the school's approach.

These schools generally include a **support team** that includes various **therapists** and other professionals who help learners to achieve (or progress to greater achievements) from the level at which they are currently functioning.

# DigiEd SCHOOLS

Curro's DigiEd approach provides a **technologically advanced** option for learners from Grade 8 to Grade 10 (depending on the campus), with higher grades phasing in annually. They offer a **project-based deep-learning programme** that emphasises Science, Mathematics and Technology, and prepare learners for the NSC examinations at the end of Grade 12.

With longer school hours, **no homework**, and the aid of leading international **e-learning tools**, learners may revisit learned material and request assistance from a teacher before moving on to new material. Learners further have access to focused sports and cultural activities, depending on the school.

## EASY INFO

- Learn from home
- Live, teacher-guided online lessons
- Easy-to-follow online programme
- IEB examinations (Grade 12)

## CURRO ONLINE

**Curro Online** specialises in **online learning** for learners from Grade 4 to Grade 10, with higher grades phasing in annually. Learners can enjoy school **from the comfort of home** without parental involvement in teaching. Their modern approach to teaching provides a regular class timetable, as well as scheduled time for self-directed learning, thereby developing highly valued soft skills such as self-discipline and communication. Furthermore, learners are prepared for the eventual **IEB examinations** at the end of Grade 12.

With **digital learning material**, personalised assignment feedback, and **live lessons with teachers**, Curro Online is perfect for families who want to benefit from Curro's **excellent standards** but don't live near a Curro school, as well as learners who prefer to remain at home, or may need to do so due to physical or medical conditions making it difficult to attend physical classes.
