so as to be received by the Transfer Secretaries by no later than 12:00 on Friday, 13 May 2016.

The Transfer Secretaries will not be responsible for any loss and/or damage whatsoever in relation to or arising from the late or non-receipt of faxed or emailed Forms of Instruction or owing to Forms of Instruction being forwarded to any other facsimile or email address other than those provided above. Forms of Instruction shall be deemed to be received on the date reflected in the Transfer Secretaries' electronic or facsimile systems. Notwithstanding anything to the contrary, it is each Shareholder's responsibility to ensure that their Form of Instruction is received by the Transfer Secretaries.

Curro and the Transfer Secretaries accept no responsibility and will not be held liable for any allocation of Rights Offer Shares pursuant to payment being made or alleged to have been made by way of electronic transfer and where proof of such payment has not been received or purported proof of such payment being insufficient or defective for Curro together with the Transfer Secretaries, for any reason, not being able to reconcile a payment or purported payment with a particular application for Rights Offer Shares.

If you are a renounee, you may elect to receive your Rights Offer Shares in Dematerialised form by providing the information requested in respect of your CSDP or Broker in Form E in the enclosed Form of Instruction.

In order to comply with recent legislative changes, the Rights Offer Shares may only be issued in Dematerialised form. In this regard:

- (a) Qualifying Shareholders holding Certificated Shares who wish to receive the Rights Offer Shares allocated to them in Dematerialised form and who already have an account with a Broker or CSDP, will have their accounts at their Brokers or CSDPs credited with their Rights Offer Shares (provided that they have provided their Form of Instruction, and have elected "Option 1" on Form E thereof, along with the relevant CSDP details, to the Transfer Secretaries on or before 12:00 on Friday, 13 May 2016;
- (b) Qualifying Shareholders holding Certificated Shares who do not wish to hold the Rights Offer Shares allocated to them in Dematerialised form and prefer to hold their Rights Offer Shares in Certificated form, will be afforded the option to "rematerialise" their Dematerialised Rights Offer Shares and replace these with a physical Document of Title, provided that such Qualifying Shareholders have elected "Option 3" on Form E of their Form of Instruction and provided their Form of Instruction to the Transfer Secretaries on or before 12:00 on Friday, 13 May 2016; or
- (c) Qualifying Shareholders holding Certificated Shares who wish to receive the Rights Offer Shares allocated to them in Dematerialised form, but who do not have an account with a Broker or CSDP, will be issued with statements of allocation and will be required to appoint a Broker or CSDP so that Dematerialised Rights Offer Shares can be made available to them following implementation of the Rights Offer (such Shareholders will be required to provide the statement of allocation to their Broker or CSDP as proof of their holdings), provided that such Qualifying Shareholders have elected "Option 2" on Form E of their Form of Instruction.

Certificated Shareholders should indicate which of the above applies, when completing the Form of Instruction. Should a Certificated Shareholder contemplated in paragraph (a) above fail to provide the necessary Broker and CSDP account details and other information requested in the Form of Instruction, it will not be possible to credit such Shareholder's account at its Broker or CSDP with the Rights Offer Shares due to it, and such Shareholder will instead be issued with a statement of allocation.

Should you be a Qualifying Shareholder holding Certificated Shares:

- contemplated in paragraph (a) above and have provided your Form of Instruction to the Transfer Secretaries on or before 12:00 on Friday, 13 May 2016, the Rights Offer Shares allocated to you will be credited to your Broker or CSDP account on Monday, 16 May 2016; or
- contemplated in paragraph (b) above, and have provided your Form of Instruction to the Transfer Secretaries on or before 12:00 on Friday, 13 May 2016, the share certificate for your Rights Offer Shares will be posted to you, at your risk, on Monday, 16 May 2016; or
- should you be a Shareholder contemplated in paragraph (c) above, the statement of allocation in respect of your Rights Offer Shares will be posted to you, at your risk, on Monday, 16 May 2016.

Qualifying Shareholders who wish to "rematerialise" their Dematerialised Rights Offer Shares as provided for above and whose registered addresses in the Register are outside of the Common Monetary Area, or whose Ordinary Share certificates are restrictively endorsed in terms of the Exchange Control Regulations, should refer to paragraph 3.10 below.

If the required documentation and payment has not been received in accordance with the instructions contained in the enclosed Form of Instruction (either from the Qualifying Shareholders or from any person in whose favour the Rights have been renounced) by 12:00 on Friday, 13 May 2016, then the Rights to those unsubscribed Rights Offer Shares will be deemed to have been declined and the Rights Offer entitlement will lapse.

Action required by holders of Dematerialised Shares

If you are a Qualifying Shareholder and have Dematerialised your Ordinary Shares, you will not receive a printed Form of Instruction and you should receive notification from your CSDP or Broker regarding the Rights to which you are entitled in terms of the Rights Offer.

Your CSDP or Broker will credit your account with the number of Rights to which you are entitled and will contact you to ascertain:

- whether you wish to follow your Rights in terms of the Rights Offer and, if so, in respect of how many Rights Offer Shares; and
- if you do not follow all or any of your Rights:
 - whether you wish to sell your Rights and, if so, how many Rights you wish to sell;
 - whether you wish to renounce your Rights and, if so, how many Rights and in favour of whom you wish to renounce those Rights; or
 - whether you wish your Rights to lapse.

CSDPs effect payment in respect of Dematerialised Shareholders on a delivery versus payment basis.

If you are a Qualifying Shareholder holding Dematerialised Shares and wish to follow your Rights in respect of the Rights Offer, you are required to notify your duly appointed CSDP or Broker of your acceptance of the Rights Offer in the manner and time stipulated in the custody agreement governing the relationship between yourself and your CSDP or Broker. If you are not contacted, you should proactively contact your CSDP or Broker and provide them with your instructions. If your CSDP or broker does not obtain instructions from you, they are obliged to act in terms of the mandate granted to them by you, or if the mandate is silent in this regard, not to subscribe for Ordinary Shares in terms of the Rights Offer.

Curro does not take responsibility and will not be held liable for any failure on the part of any CSDP or Broker to notify you of the Rights Offer and/or to obtain instructions from you to subscribe for the Rights Offer shares and/or to sell the Rights allocated.

5. INFORMATION ON CURRO

5.1 Overview of business and prospects

- 5.1.1 Curro was specifically incorporated for the purpose of providing quality independent school education in Southern Africa.
- 5.1.2 Curro was established as a small independent school in 1998 by Dr Chris van der Merwe. It established its first separate and privately owned campus in Durbanville, Western Cape in 2000. As a result of the demand for the independent school together with the high standards it offered, it immediately showed exceptional growth.
- 5.1.3 Curro opened its doors in January 2016 to 41 864 learners in 110 schools on 47 campuses compared to the 35 970 learners in 101 schools on 42 campuses at the beginning of 2015 and thus achieved its pre-listing objective of at least 40 campuses five years ahead of its original target of 2020. Curro has a presence in all nine provinces of South Africa with the majority of schools situated in Gauteng.
- 5.1.4 In 2016, in addition to a R450 million investment into existing campuses to expand its capacity, R800 million is earmarked for the construction of new campuses including two teacher training colleges. Furthermore, it intends to invest the remainder in land banking for future expansions as well as acquisitions, which includes R180 million for Windhoek Gymnasium, as and when they arrive.
- 5.1.5 Curro aims to have at least 200 schools and 80 campuses by 2020.

PLEASE NOTE THAT THE AFOREGOING STATEMENT OF CURRO'S OBJECTIVE HAS NOT BEEN REVIEWED OR REPORTED ON BY CURRO'S AUDITORS OR BY AN INDEPENDENT REPORTING ACCOUNTANT NOR IS SAME GUARANTEED. IT IS, HOWEVER, AN OBJECTIVE THAT CURRO REALISTICALLY WISHES TO ACHIEVE BY 2020.

- 5.1.6 The Curro brand consists of six brands or lines of business which can be summarised as follows:
 - 5.1.6.1 **"Curro Independent School"** is the original brand and refers to a typical combined independent school (with learners from grade R to 12), in which Curro offers class sizes of a maximum of 25 learners. Curro teaches in a single language (English) or parallel-medium fashion, which means that it has separate English and Afrikaans classes. This dual medium approach also applies to grades 10 to 12. On Curro Independent School campuses Curro offers a wide variety of subject choices and co-curricular activities. A typical campus can accommodate 1 200 to 2 000 learners. The facilities are of a high standard. The grade 12 learners write the Independent Examination Board (IEB) examination.
 - 5.1.6.2 Existing schools which have been acquired by Curro are reflected in the **"Select"** category. Some schools, such as Woodhill College, have brands of their own and, as previously reported, these schools have proven sets of standards, values and traditions. Curro's undertaking to the parents of these schools upon acquisition thereof was that it would retain the existing standards and traditions and, as such, these schools are categorised under the Curro Select category. Notwithstanding the foregoing, the term "Select" as such is not to be regarded as a brand.
 - 5.1.6.3 The **"CURRO Academy"** brand encompasses independent schools which have a key focus on quality education at classroom level. Classes have a maximum of 35 learners. These schools are also combined schools, catering for learners from grade RR to 12. A fully-developed campus can accommodate between 1 500 and 34 000 learners. In these schools Curro offer a limited number of co-curricular activities. Learners in these schools write the National Senior Certificate (**"NSC"**) exam at the end of grade 12. These schools are, in some cases, supported by boarding.

- 5.1.6.4 **“Meridian Independent School”**, which includes Northern Academy schools, is a brand similar to that of Curro Academy and accommodates learners from grade RR to grade 12, with the exception of Meridian Pinehurst, which accommodates learners from three months of age. Classes accommodate up to 35 learners and these schools write the NSC exam at the end of grade 12. In some cases the class sizes might increase to 50 learners with the utilisation of class assistants resulting in an educator to learner ratio of below 35 learners per group. Subject choices are focused at these schools which are single medium (English). Co-curricular activities are offered but are limited to an appropriate variety and are dependent on demand. A fully developed campus will accommodate between 1 500 and 4 000 learners. In some instances, the Meridian schools have boarding facilities. Our Meridian schools are funded, to a large extent, by the Schools and Education Investment Impact Fund of South Africa (**“Schools Fund”**). The brand is owned by Campus and Property Management Company Proprietary Limited (**“CAPMAC”**) of which Curro is a 65% shareholder. CAPMAC has the mandate to develop one more Meridian Independent School.
- 5.1.6.5 The **“CURRO Castle”** brand encompasses the Curro nursery schools which accommodate learners from three months to five years old. These nursery schools have facilities which accommodate up to 400 learners. Curro has written and developed its own curriculum for nursery schools. This curriculum was developed in such a manner that it assists in developing a child’s physical, social and emotional being whilst also providing a practical framework for both adult-facilitated and self-directed learning, laying the foundation for a child before going to primary school.
- 5.1.6.6 The **“Embury Institute for Teacher Education”** (**“Embury”**) (teacher training college) is a private higher education institution accredited with the Council on Higher Education and registered with the Department of Higher Education and Training. In 2016, Embury, based in KwaZulu-Natal, will educate more than 800 full-time and 100 distance learning students. It will also provide continuous professional development education courses to approximately 4 000 teachers. This year will also mark the expansion of Embury’s geographic footprint and academic offerings. Embury will commence with the conversion of a new larger site in Durban to accommodate 2 600 students, construct a new campus at Waterfall Estate (Midrand), with a capacity of 1 400 students, as well as acquire a 800 student capacity campus in Montana (Pretoria). Embury is in the process of developing and registering a number of new courses, diplomas and degrees which will include BSc, BCom and BA degrees. Embury is also converting and registering its campus-based courses into distance learning offerings.
- 5.1.7 Further information regarding the models and fee ranges for the above brands can be found on www.curro.co.za in connection with the brands of the schools and on www.eite.ac.za in connection with the teacher training college.

EXCHANGE CONTROL REGULATIONS

The following summary is intended only as a guide and is, therefore, not comprehensive. If Shareholders are in any doubt as to the appropriate course of action they are advised to consult their professional advisor.

Pursuant to the Exchange Control Regulations and upon specific approval of the South African Reserve Bank, non-residents, excluding former residents, of the Common Monetary Area will be allowed to:

- take up Rights allocated to them in terms of the Rights Offer;
- purchase Letters of Allocation on the JSE; and
- subscribe for the Rights Offer Shares arising in respect of the Letters of Allocation purchased on the JSE provided payment is received either through normal banking channels from abroad or from a non-resident account.

All applications by non-residents for the above purposes must be made through an authorised dealer in foreign exchange. Electronic statements issued in terms of Strate and any share certificates issued pursuant to such applications will be endorsed "non-resident".

Where a Right in terms of the Rights Offer becomes due to a former resident of the Common Monetary Area, which right is based on shares blocked in terms of the Exchange Control Regulations of South Africa, then only emigrant blocked funds may be used to:

- take up the Rights allocated to them in terms of the Rights Offer;
- purchase Letters of Allocation on the JSE; and
- subscribe for the Rights Offer Shares arising in respect of the Letters of Allocation purchased on the JSE.

All applications by emigrants using blocked funds for the above purposes must be made through the authorised dealer in South Africa controlling their blocked assets. Share certificates issued to such emigrants will be endorsed "non-resident" and placed under the control of the authorised dealer in foreign exchange through whom the payment was made. The proceeds due to emigrants from the sale of the Letters of Allocation, if applicable, will be returned to the authorised dealer in foreign exchange for credit to such emigrants' blocked accounts.
